

30.06.2011 - Komercijalna Banka was awarded by Deutsche Bank AG

As a recognition for excellent quality of its international payment operation, this year, Komercijalna Banka AD Skopje is again the winner of the award: **Deutsche Bank's 2010 Straight – Through Processing (STP) Excellence Award**. This award is especially important, since the straight-through processing of payments significantly decreases the costs of the global transactional banking nowadays. In its notification, Deutsche Bank, which is the global leader in this area, emphasizes the successfulness of the team of Komercijalna Banka in charge of this issue reaching an extraordinary high STP rate of 99.74%.

By this award, Komercijalna Banka AD Skopje once again confirmed its role as a leader in the banking sector, which follows and implements the latest banking trends and technologies.
